Dear Gary, Danielle, and Disc Golf Friends,

Thank you for your donations of \$1,304.00 and
\$200.00, given in October in memory of
Mr. David Stidham.

As you intended, the money has gone to the
Maneska school Director Kristama Jean Baptist
to benefit the school children.

David was a fine man who loved the Haitian people.
He is really missed. The Maneska School is one of his
Legacies.

May God bless you richly!

Connie Goddard
